2026 North End Neighborhood Association Annual Meeting & Board Election

LIST OF DECLARED CANDIDATES:

1. **DONNA LLEWELLYN** – *Incumbent*. Donna moved to Boise in 2015 after retiring from a long career at Georgia Tech in Atlanta. She retired a second time (maybe this time it will stick?) in 2025 from Boise State University where she supported the mission of creating an inclusive research ecosystem. She believes in the strength of community and has served as NENA's board president since November 2025 as well as the lead organizer of NENA's newest event, the North End Night Out.

2. **GARRETT LAMM** - *Incumbent*. Garrett grew up in the North End, attending Washington, Longfellow, North, and Boise High. He worked in D.C. for years and now resides on 12th & Fort Street with his husband, Kent. Garrett works for the City of Boise as the Director of Community Partnerships, where he liaises with the Boise School District, hospitals, nonprofits, and faith leaders. Garrett is the NENA board secretary and serves on the North End News committee.

3. **TRAVIS CAMPION** - *Incumbent*. Travis is a well-established artist in the Boise community, has resided in the North End since 1980. He owns a home with his spouse, Star, on 8th Street near Hollywood Market. Travis is an artist, political activist, and serves on the Hyde Park Street Fair committee and P&Z Committee.

4. **DOMINIQUE NAEGELE- CLIFFORD** - *Incumbent*. You might recognize Dom from TriTown Bicycles in Hyde Park, where she has spent years helping folks gear up and get rolling. A longtime North End homeowner and proud graduate of Lowell, North, and Boise High, Dom is an avid outdoors-person who loves everything from biking the Dump Loop and skiing her knees off, to hitting up any golf course with an available tee time and walking the neighborhood. Dom is dedicated to making our streets safer, helping the North End thrive, and is passionate about adult tap dancing.

5. **LORNA JORGENSEN** - *Incumbent*. Lorna is an Idaho native who has called Boise's North End home for more than 35 years. Recently retired from a legal career with Ada County, she spent much of her practice working on civil matters involving

planning and zoning issues. In retirement, she maintains her law license to continue providing pro bono legal services. Motivated by conversations with neighbors during the COVID-19 pandemic, Lorna became interested in greater involvement with NENA and community advocacy. She is committed to listening to residents, understanding their concerns, and ensuring their voices are represented in neighborhood discussions and decision-making. Lorna serves on the NENA P&Z committee and provides an important legal perspective.

6. **LEVI SCHOONOVER** – Levi is a dedicated and proactive NENA volunteer who has acted as the North End Night Out co-chair for the past two years. Levi is the point person for NENA in building relationships and approaching businesses for sponsorships and sourced enough donations to compile eight incredible gift baskets that were raffled off to neighbors during the NENO event. He has also assisted with recruiting Hyde Park Street Fair sponsorships, which will be a critical piece of the Fair's success moving forward thanks to ever-increasing costs. Levi lives in the North End with his wife and young child.
